KPMG's Tax practice is a dynamic and successful area of our business. The Tax team works with a wide range of organisations and individuals, helping them to implement the tax approach that suit their needs. A constantly changing and increasingly high-profile field, Tax can offer a surprisingly broad range of quality career paths to ambitious people.

On our One Year Business Placement Programme, you'll get both technical training and personal development opportunities that will equip you with the skills you need to succeed in your career. It's all about gaining industry-leading work experience in a professional services organisation.

### In depth

- Applying legislation, case law and HMRC guidance to advise on the technical basis to claim capital allowances. The Tax Capital Allowances Advisory Services team includes a combination of surveyors, tax professionals and accountants who assist clients in increasing the tax relief available on their capital investments by:
- Carrying out site surveys to identify qualifying assets.
- Liaising with property teams, contractors and external consultants to obtain relevant cost information
- Conducting valuation estimates where cost information is incomplete
- Advising on how the changing legislation effects the transfer of allowances following a sale (transaction due diligence)
- Advising on ad-hoc queries both from clients and other internal KPMG teams
- Producing capital allowances claim documents to submit to HMRC alongside the tax return
- Negotiating and agreeing claims with HM Revenue and Customs.

We work with clients across all lines of business where capital investment is crucial, such as real estate, retail, hotels and infrastructure.
