

Our Firm. Our Values.

Transcription

When the day starts, whoever you are and whatever you are facing, know that you are part of a team.

This team have been supporting the UK for 150 years.

We've been tested before, but this year we've taken on a challenge like no other.

It's shown us the Values that we're built on.

Integrity. We do what is right.

Excellence. We never stop learning and improving.

Courage. We think and act boldly.

Together. We respect each other and draw strengths from our differences.

For better. We do what matters.

It's those Values that have taken us from 1870 to 2020 and now they'll take us forward.

We will grow stronger through this challenge. Guided by our Values.

Until this too becomes part of our history. Part of why we're trusted.

So when the day comes to an end, remember this is our KPMG.

Built in 1870, ready for the future.

Changing every day.

Changing every day.

Changing every day.
